

Contra Costa County Community Pride 2013-2014

The following list describes the community service activities selected for the 2013-2014 club year.

In order to receive the award of a County Pride pin, which will be presented at the 2014 County Achievement Night, club members are required to participate in 80% of the County Pride activities. Each club should keep track of member participation and turn in a list with their year-end packet due in August 2014.

Clubs are free to identify the recipients and deliver collected items as they deem appropriate. If you need assistance delivering items, please contact: Briones4hclub@gmail.com.

Although these are county level activities, clubs are encouraged to do other community activities as well.
