

CCC Field Day Judging Board Answer Key

Due at April 6th Council Meeting

Judging boards are ideal for members of a 4-H project to put together about an area of their project. Each board simply needs **a short lesson on the judging of a topic**. Each board **should have 4 clear choices labeled A, B, C, and D**. Each letter represents an example of different sample options. Boards also need a separate answer key, listing the answers from best (A) to worst (D).

Please email Kevin O'Neal at contact@wildcat4hclub.org to let the Field Day committee know if you are planning to submit a display board.

If you are interested in putting together a live display rather than a board, please call Kevin O'Neal at (415) 595-7497.

Thank you for your help to make Field Day a success!
